

Want to volunteer for the Holidays?

Thank you for your interest in volunteering at the *Boulder Shelter* this winter!

As the holidays fast approach, our current volunteers have committed to us throughout the season, and we unfortunately do **not** have any available opportunities for more volunteering at this time. **BUT—**

There are **loads** of opportunities around town this winter with sister organizations and nonprofits throughout the Boulder area.

For more information, please contact:

Foothills United way

1285 Cimarron Drive, Lafayette, CO 80026
