Boulder Shelter for the Homeless
FY17 activity

Boulder County Cares (BCC) - Boulder Shelter street outreach:
- Over 2700 contacts made
- 97 rides provided to the overflow shelter, the Addiction Recovery Center, and the emergency room
- All homeless persons who were transported also received referrals

Winter Sheltering:
- 1,194 unduplicated people sheltered
- 45,315 bed nights provided
- 105,828 meals served
- Averaged 145 clients per night during winter sheltering season
- Average stay = 8 days
- Transportation provided 9,599 times for Shelter clients
- Mental Health therapist met with clients at the Shelter four hours per night five nights a week to discuss their mental health situation

Transition Program:
- 93 new clients enrolled
- 2,200 case management contacts made
- 360 people met with case managers to discuss entry into the Transition Program
- 26 residents graduated from the Transition Program into independent housing
- The Transition Program has graduated over 982 participants into stable housing since its inception in 1996

Transitional Housing:
- 263 case management contacts (including 214 monthly home visits in the units) were conducted by case managers of the referring agencies
- 6 collaborative meetings between case managers of the referring agencies

Housing First:
- 55 formerly chronically homeless adults are now residing in Boulder County Housing First apartments; the Shelter administers case management for this program. In addition to the 31 units at Lee Hill, clients are also currently placed in scattered site housing in Longmont, Niwot, and Boulder.
  - 22 of the 31 clients housed at Lee Hill have been there for two years or more
  - 19 of the 23 clients housed in scattered site apartments have been in their unit for two years or more; 11 of those 19 have been in their apartments for over 5 years
  - 8 clients have graduated into Housing Choice Vouchers which is a non-supportive housing program with financial assistance only (no case management)
  - 26 clients were assisted in receiving income (Social Security, Aid to the Needy and Disabled, Old Age Pension) and/or health insurance (Medicaid/Medicare)

Volunteers:
More than 1,000 volunteers donated over 13,000 hours of their time to a variety of tasks, including cooking and serving meals, distributing bedding and toiletries, and general office tasks
