NSAG meeting notes from 12 March 2019:

Attending:
Greg, Kenny, Rich, Gail

Updates from Greg:

- A neighbor called Greg concerned about loitering north of the Shelter. Greg mentioned this to Nate at BPD and recommended that if there is any concern neighbors should call the police.
- Greg contacted the city and they have contacted XCEL Energy to fix the existing street light northwest of the shelter to improve lighting in that area
- The 1-year report from Homeless Solutions for Boulder County (HSBC) is due out soon with recommendations that effect various homeless services.
  - Among other things, the report recommends folding Navigation Services currently on 30th Street into the Shelter. The 30th Street location will close on/before May 2020.
  - City Council will discuss the report as early as next Tuesday
  - The report will likely be posted here:  

Concerns/discussion from neighborhood:

- (None)
