NSAG meeting notes from 10 Dec 2019:

Attending:
Greg, Rich
Gail, Liz

Updates from Greg:

- Shelter is averaging roughly 130 people/night
- SWS has been open often - some nights have hit capacity
- Shelter received the contract for CE
- Shelter is working with a developer for PSH in Longmont - maybe 50 or so units
- No luck getting a streetlight on the NW corner of the shelter - will continue trying
- Work at the former Bustop location is finishing up - move in might occur in Jan/Feb
- Road construction on N. Broadway to start mid-late 2020
- Shelter still working on purchase of an electric vehicle for case managers and installation of a charging station

Concerns/discussion from neighborhood:

- (none)
