

Shelter Support Housing

Boulder Shelter for the Homeless

Our Year in Review

As 2022 comes to a close, we wanted to share a few highlights from the past year

By the Numbers

90 housing exits
51,453 bed nights
102,906 meals served

Our New CEO, Greg Morris

This past fall, the Board of Directors voted unanimously to invite Greg Morris to become the next CEO after a nationwide search.

Previously at HopeWorks, the largest provider of homeless services in Albuquerque, Greg's skills and experience map onto the goal of increasing the Shelter's capacity to do even more for our Boulder County community.

Mr. Morris joined the Shelter in October, and we are excited to see what's in store in the coming year!

Ending Veteran Homelessness

Boulder County is the first sub-region in the Metro Denver Area to reach **Quality Data** for veteran homelessness!

This means Boulder can now track changes in the dynamics of those experiencing homelessness needed to identify gaps, test changes, and prioritize resources.

It means they can start working towards a measurable end to homelessness for veterans.

Boulder County achieves
quality data for veteran
homelessness!

We Love Our Volunteers

Our volunteer program was finally back in action this year after a two-year hiatus due to the COVID-19 pandemic.

The Shelter had more than **300 new volunteers** join our program this year, and we can't wait to see what next year has in store!

Long Drives for Better Lives

The Shelter's **28th Annual Golf Classic** was fun in the sun at The Ranch Country Club this past September.

It was also our most successful Golf Classic to date thanks to our incredible sponsors and partners!

So on behalf of all of us here at the Boulder Shelter for the Homeless, we'd like to thank you for coming together as a community to help create avenues to stable housing for adults in our community experiencing homelessness.

As you can see it's been a productive year for the Shelter. Your generosity helped to make this possible, we couldn't do this work without you!

If this year got the better of you, or you're looking to give back as part of your New Year's resolutions, there are plenty of ways **show your support** or **get involved**.

P.S. If you weren't able to make a gift this Giving Season, there is still time to give! Make a donation to help our most vulnerable neighbors before January 1st to receive your 2022 tax benefit.
